Subject: Portland Superfund Cleanup

To whom it may concern:

I am sending this message regarding the Cleanup Plan which prioritizes polluter profits over public health. The plan must result in the removal of all polluted sediment. Dredged toxic sediments must be taken to an appropriate landfill. Those liable for the pollution must be held accountable and pay for a comprehensive clean up that will protect the health of our community and environment.

Thank you for your attention.

Sincerely,

(b) (6)
